The perfect solution for:

Bedrooms
Guest Rooms
Home Office
Conservatories

The Sokio electric panel heater combines clean, asymmetric styling with aluminium plate technology, offering you soft, homogeneous heat.

Equipped with an LCD digital control panel and a high-precision electric thermostat, along with a programmable mode provides the user with full control and flexibility over their home heating.

OUTPUT (W)	DEPTH (MM)	WIDTH (MM)	HEIGHT (MM)	WEIGHT (KG)	MODEL
750	130	601	477	8.3	AH503108
